City \_\_\_\_\_ State \_\_\_\_\_

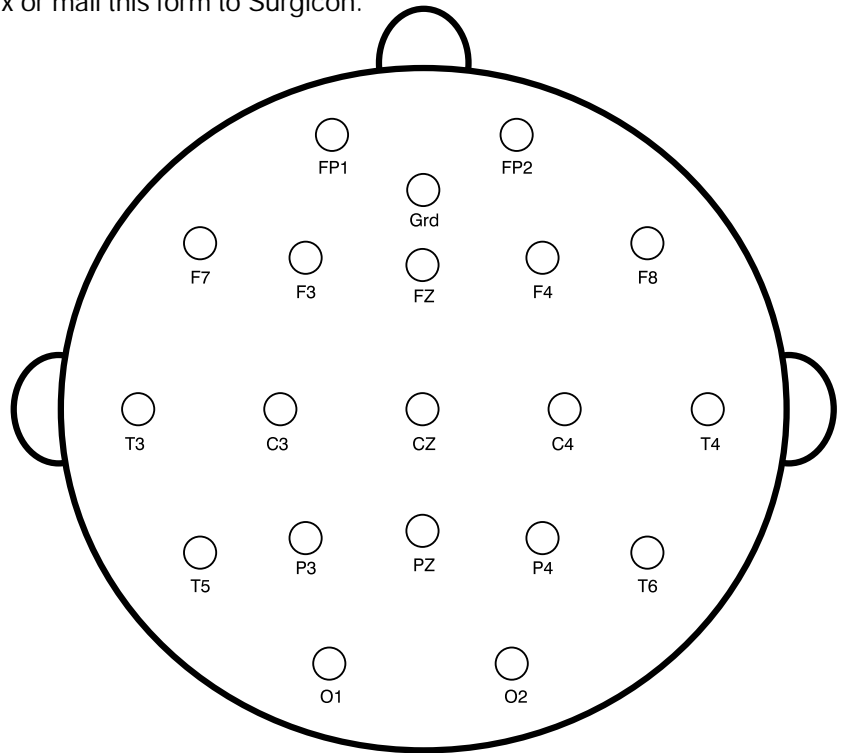

**Directions:**

**STEP 1:** The diagram below indicates the standard Electro-Cap positions.

Draw a small circle on the diagram where you wish to have special electrodes installed on your cap. Label the electrode position (for example, "C5"). Draw an "X" through any standard electrode positions that you wish to delete.

**STEP 2:** Using arrows pointing to the diagram, or at the bottom of this form, describe FULLY the exact location of your special electrode placements (for example, "C5 is located on a line midway between C3 and T3"). Also describe any special connector or termination requirements. If in doubt, please call Surgicon to discuss.

**STEP 3:** Sign the authorisation below and fax or mail this form to Surgicon.

Description of special electrode placements or terminations :
